

Modesto is celebrating women’s health and supporting women’s wellness issues in October with MoPink. Local businesses are supporting MoPink through unique events and special offers.

New this year is “On Wednesdays; We Pour Pink.” We’ve partnered with Modesto breweries, bars, cafés, restaurants, and theatres to offer their own versions of a “Pink Pour” on Wednesdays throughout October. Each pour you purchase will be a donation to HAVEN.

In a world that often keeps us on our toes, finding opportunities to unwind, enjoy life, and give back to our community is essential. MoPink seamlessly blends fun, wellness, and charity. Throughout October, you’ll have the chance to score deals and attend events and activities that not only uplift your spirits but also support local women’s health and community programs.
